

VERMONT NOTES

The Fitzdale Paper Co. at Fitzdale is carrying on one of the largest building enterprises in Northern New England, having launched a model housing scheme, building a model town for employees at the rate of \$30 at a time. Eventually there will be 100 of the little homes.

Judge Harrie B. Chase has decided against the city in the case of the town of Orange vs. Barre City Water Works in which the town of Orange attempted to collect \$1,600 taxes on the water reservoir, located in Orange. The case will go to Supreme Court upon exception taken by the city.

Enroute from Philadelphia to Montreal and Toronto, a commercial hydroplane capable of carrying 21 people and having five cabins, flew to Burlington last week in charge of Lieutenant Thomas F. Dunn, president of the United States Aerial Express Co. There were six other people in the hydroplane. Lieut. Dunn says he will recommend that Burlington be selected as an airport for commercial purposes.

Chauncey, the 11-year-old son of Mr. and Mrs. Earl Perry of Jeffersville, was seriously injured Monday a.m. when hit by an auto. In company with two other boys, he was running behind Hunt's large auto truck and stepped from behind it in front of approaching Massachusetts Ford coupe which hit and knocked him down. It is not known just how badly he is hurt as he has been in great pain all day and complete examination cannot be made, but it is believed he has a fractured ankle, a broken rib and he has many painful bruises.

A man was found unconscious beside the railroad tracks between South Royalton village and Royalton Monday morning. He was taken to the Randolph hospital and he gave his name W. T. Champagne of Claremont, N. H. It is thought that he was stealing a ride on a freight train because a man answering his description was seen at the local station a short time before the train left. It is believed that he was thrown off the train by the swaying of the cars.

The 32nd annual convention of the Grand Lodge, Knights of Pythias will take place in Music hall, Lyndonville, September 1. Headquarters will be at the hotel Lyndon and credentials will be received there between five and six o'clock the previous evening. A reception will be given by the Knights and Sisters in Lyndonville that evening to the Grand Lodge officers and other guests. The uniform rank will go into encampment at the club house grounds on the 28th of this month, remaining through the Grand Lodge session.

Additional information relative to the plans is being sent to the representatives elected from the different lodges.

F. H. Babbitt, candidate for governor, was the cause of an automobile accident Wednesday according to the report which E. S. Lauzon of Burlington has sent to the secretary of state's office, in which he states that Mr. Babbitt "came around the curve at good rate of speed and drove me through a wire fence and side swiped my car smashing my mudguard and bent my front axle and truss rod. Had to be towed to Middlesex and he was towed to Montpelier. His car was pretty badly smashed. He told me he was to blame for he said he was going too fast. Nobody was hurt."

A. W. Christianson, who has completed his work with the E. and T. Fairbanks Co. at St. Johnsbury, to engage in the manufacture of violins and other stringed instruments in Stowe, has moved his family to that place. Mr. Christianson is vice president, treasurer and manager of the Green Mountain Violin Corporation recently incorporated for \$50,000. The business is well started at Stowe and the factory under the management of the St. Johnsbury man, is turning out violins, mandolins, and other stringed instruments. Mr. Christianson came here from New York where he owned and managed a plant turning out electrical and pumping machinery. He held an important position with the Fairbanks factory the past year.

A Vermont officer has gone to Jefferson City, Mo., to get William H. Wheeler, who is wanted in Vermont for breach of probation. Wheeler came to Morrisville last fall from South Paris, Me., having recently served two years in the Maine penitentiary for forgery. At Morrisville he began forging again and was convicted in Lamoille county court, being sentenced to five years in the state prison and the sentence being suspended. After being on probation for a time, Wheeler and his little boy left Morrisville and went to St. Johnsbury, where they abandoned their child in a hotel. Recently the officials in Vermont got word that Wheeler was under arrest in Jefferson City. The child in the meantime, had been given a fine home.

Over 90 seed potato growers, representing seven counties met at the Randolph Center Potato Growers' exchange at Randolph Center last week and, after an enthusiastic meeting, started plans for the formation of a state association. The officers and executive committee were elected and authorized to draw up a constitution and by-laws to be presented at a later meeting. The officers elected were: President, L. H. Ball of Randolph Center; vice president, L. K. Osgood of Rutland; secretary-treasurer, A. H. Gilbert of the state department of agriculture; executive committee with the officers, E. S. Brigham of St. Albans, state commissioner of agriculture, J. A. Sanford of Putney and C. H. Temple of Randolph Center. This organization has a big field of activity before it in the way of promoting the production of seed potatoes in the state and in advertising Vermont-grown seed potatoes in the markets.

Every motor highway and byway throughout picturesque New England and New York is a part of the long "Socony Trail".

SOCONY service is available to all who need its products—from quaint old Amherst, New Hampshire, to Sag Harbor, Long Island.

In some sections of New England three or four tank-wagon trips a year suffice to serve the sparsely settled rural districts. In the cities, large quantities of Socony gasoline are required every week. But whatever the amount or wherever the need, Socony service is there to supply it.

And this unique service does not consist merely of a large number of filling stations. It begins back at the oil well and in the research laboratory. New methods are constantly being devised to maintain the Socony standard of quality—and improve it, if possible.

As a result of half a century of refining experience, Socony gasoline is today the standard of quality motor fuels. It is clean-burning and uniform in power and mileage. And because Socony is obtainable everywhere, you can adjust your carburetor permanently. This makes possible the "all-season" economy which regular Socony users enjoy.

KIDNEYS MADE STRONG

Stopped After a Short Time with FRUIT-A-TIVES

MOSES MURPHY

Barton, Vermont, March 27th 1918.

I am warranted in having the best health in 'Fruit-a-tives' after using such wonderful benefits.

For years, I was a sufferer of Kidney and Liver Complaints. I had aches; my liver was bad; and my whole system was out of order.

'Fruit-a-tives' was the only remedy which made my bowels move and freed me of all the troubles caused from the kidney complaint and indigestion.

After weeks' treatment with 'Fruit-a-tives' made me feel as if I were less on life, and I am glad to state the great value of 'Fruit-a-tives'.

MOSES MURPHY.

NO REASON FOR IT

Baron Citizens Show a Way.

There can be no reason why any of this who suffers the torments of urinary disorders, the pains of kidney illness who fall into the words of a neighbor who says: "Read what a Barre man says."

J. W. Miller, Elm street, is pleased to recommend Doan's Kidney Pills. I have suffered from kidney trouble for years and have found Doan's Kidney Pills to be the only remedy that has helped me.

I consider it does all that is claimed for it. I am glad to recommend a remedy of its sterling quality. (Statement given Sept. 1917.)

On May 14, 1920, Mrs. Miller said: "I have changed. I have used Doan's Kidney Pills—the same that I never failed to help me. I have again say a few words of praise for them. I gladly renew the recommendation I made several years ago."
